Eugene,

This guy (member of the public) called me and asked us to take a look at this ATC for Maricopa. Their main concern is for odor/ VOC emissions. Maybe add it to the list for Arizona.

Larry

Hello Everyone,

For your information, I've attached is a copy of the certified letter that I sent to Hether Krause, Ombudsman for Maricopa County Air Quality and Environmental Services Department, this morning. For your convenience I have also attached a copy of the permit and the application. I can provide other documents at your request and would welcome comments and questions.

Dan Blackson
